Welcome Letter	Preparation Timeline	General Information	School Fees Policy	Debit Order Form	Device Specifications

OPTION 1 — BUYING A NEW DEVICE

Android
- Android version 8 or higher
- Android Device (Lenovo, Samsung, e.g.)
- Quad Core CPU at 1.7GHz processing speed
- 32GB internal storage space
- 4GB RAM

Apple iOS
- iOS 14 or higher
- iPad 6th generation or newer
- iPad Pro 3rd generation or newer

Windows
- Tablet or laptop with Windows 10 or later
- 64GB or 128GB internal storage space
- 4GB RAM

We recommend devices with enough RAM to handle larger e-books that contains mathematic equation, videos and a large number of images.

Ideal screen size for a device varies between 9 inches to 13 inches.

The higher the screen resolution, the sharper the images appear. A retina display, or similar, with a high pixel display is advisable.

Ensure the device meets the requirements to activate a tracking app, such as "Find my device".
Activate the software and ensure the login details are kept safe.

OPTION 2 — TEMPORARY DEVICE

Have a device at home? Please note that these are the minimum requirements for the digital platform apps to work, but not recommended for long term use.

Android
- Android version 7 or higher
- Android Device (Lenovo, Samsung, e.g.)
- Quad Core CPU at 1.3GHz processing speed
- 16GB internal storage space
- 2GB RAM

Apple iOS
- iOS 12.2 or higher
- iPad 4 or newer
- iPad Pro 3rd generation or newer

Windows
- Tablet or laptop with Windows 10 or later
- 32GB internal storage space
- 2GB RAM

GLA learners are expected to demonstrate appropriate and responsible behavior when using the School's ICT facilities as well as when using their own personal Devices.
GLA learners are expected to comply with the specified guidelines and rules set out in the "Device and eLearning" policy.
Necessary disciplinary action will be taken against learners who disregard this policy. Learners are personally responsible for keeping their device up-to-date and secure.

The school and staff is in no way responsible for:
* Maintenance of any Device.
* The loading, charging, back-up, updating of apps etc.
* Broken Devices.
* Lost or stolen Devices.
